

PYTHON PROGRAMMING

Through Projects

PROJECTS

APPLE

MICROSOFT

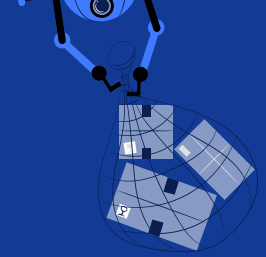

AMAZON

MORE

WHAT IS PYTHON?

WHAT WILL WE LEARN?

INPUT / OUTPUT

The basics of getting information in and out of a PC.

VARIABLES

Storing and manipulating information.

FLOW

Repeating code and asking questions?

MORE

Much more lies in wait for those of you who work hard!

LET'S GET STARTED!

Let me show you what we 'll
be learning first!
